

**LIGHTWEIGHT POSITIONING SUPPORT, COMFORTABLE AND EASY TO USE**

**More stability thanks to the shape of the integrated foam base**

**Air valves automatically adapt the cushion to your body shape and weight**

**Comfortable and rain proof**

The Vicair Liberty Profile is an easy to use and comfortable wheelchair cushion for occasional use. Designed for comfort in combination with a low to medium level of support and pressure ulcer prevention. The Vicair Liberty Profile has an integrated foam base with a semi-circle cut out at the location of the sitting bones. The combination of SmartCells and foam-base supports pelvic stability and offers a high level of comfort in the IT-Coccyx zone. The added second valve allows an even easier automatic adaption to the body shape. This Vicair cushion is ready-for-use, rain proof and very lightweight.
